

## LAB 1 TASK:

### To-Do list (Dynamic)

#### Explanation of the code:

- **Menu System:** Displays a menu with options to view, add, or remove tasks.
- **Tasks List:** A dynamic list (`tasks`) that holds the to-do items.
- **Adding Tasks:** Allows users to input new tasks that are appended to the list.
- **Removing Tasks:** Displays the list with numbers and allows users to remove a task by selecting its number.
- **Loop:** The program runs in a loop until the user chooses to exit.

#### Features:

- Add a task.
- View the current to-do list.
- Remove a task by selecting its number from the list.
- Exit the program.
